Join your fellow congregants in placing a leaf on our newly designed

Tree of Life

Just send in the attached tear-off with your check made out to TBT for \$180 per leaf.

Use leaves that are already on the trees to guide you in providing your message.

Use the Tree of Life to remember births, marriages, bar and bat mitzvahs, graduations, special anniversaries, etc.

If you would like, purchase a small rock for \$360.

The **Tree of Life** should be used to commemorate important events in your life.

Order early so that leaf is on the Tree to be highlighted for your special event.
