## INSPIRATION FROM OUR RABBI

The month of May on our calendars is an opportunity for us to highlight so many of the various aspects of what's going on in our congregation; and we're bustling! Here's some highlights of what's coming up this month, so mark your calendars and plan to join us for these important events!

In terms of our Religious School, the month of May marks the end of our year of formal learning. This is why we will be highlighting two of our classes at special services to celebrate milestones.

On May 20<sup>th</sup>, we honor our 12<sup>th</sup>-graders at our annual Graduation Ceremony. This is always a powerful service, as we hear from our most dedicated students about the ways that TBT has made an impact on them and what they plan to carry with them as they emerge into early adulthood. I'm especially excited that we'll be able to celebrate these students in this way this year. As you can imagine, these students missed out on a lot over the last couple of years of the pandemic, and yet they remained committed to our community and their Jewish Education. These students are deserving of our praise and worthy of our emulation! I hope that you will plan to join us for this special service.

Earlier in the month, on May 6 at 7:15pm, we'll welcome our 4<sup>th</sup>-graders to share a little bit about what they've learned about Israel with us from the Bima at a special Israel-themed family Shabbat. Then, the following week, on Friday May 13<sup>th</sup> at 7:15pm, we honor our 7<sup>th</sup>-graders in their Moving Up Ceremony, which helps to transition them to our High School program. We will celebrate this transition with prayer and blessing.

On Saturday, May 21, we'll join together to honor two important couples in our congregation - Harvey and Rita Drucker and Brian and Joan Levy, at our Temple Gala. This is an important event for us, not only because we get to honor members who have dedicated themselves to our community, it's important because it gives us all a chance to show our dedication to our congregation by honoring the Levys and the Druckers with a donation to the Temple. Fundraising events like this help us to ensure that we can continue to provide the excellent programming, events, learning and worship that we do. Your tzedakah helps us to keep TBT solvent and able to be the community you want us to be for you.

This month also marks our annual Mitzvah Day. We're excited to be mostly back in person, and we know that on Sunday, May 22, the Temple will be rocking with many opportunities to participate in, making our Temple and our corner of the world better. While we hope that we are all doing the work of *tikkun olam*; repairing the world as often as possible, we are excited to have this opportunity to do so as a community. Thanks to our Social Action/Social Justice committee for planning such great activities and opportunities for us to help so many in such varied and different ways! I'm excited to participate, and I hope to see you there.

Finally, May will be when the work of our Garden really gets underway. Volunteers will be working to ensure that our congregation continues to grow and donate healthy, organic produce to those in need in our community. I'm looking forward to being out with them this spring and summer when I can, and I hope you'll consider joining so as well.

With so many important events going on, it feels like you could spend all month here with us at TBT! We know that we're just one part of your very busy schedules, but I do hope that these important moments will make their way onto your family calendar so that you can join us and celebrate all the wonderful ways we honor and celebrate our community, and the ways we work to make it better!

Wishing you May flowers!

L'Shalom,

Rabbi Daniel Bar-Nahum

## NOTES FROM OUR CANTOR

Music has an extraordinary way of enhancing our experiences, deepening our prayers, and feeding our souls. Here, at Temple B'nai Torah we pride ourselves in offering a beautiful musical tapestry of programming with the help of our talented volunteer choirs, instrumental ensembles, and guest artists all under the direction of our Music Director, Dr. Anna Vinnitsky and myself.

In recent years, we have enjoyed guest artists comprising of world-class virtuosos including: New York Philharmonic clarinetist Pavel Vinnitsky, Klezmer and Jazz saxophonist Marty Laskin, Jazz violinist Joe Deninzon, pianist James Rensink, and cellist Ann Kim. It has been a few years since we have hosted an Artist-in-Residence weekend; so, I am excited to announce that this next year, we are looking forward to welcoming award-winning singer/songwriter Ellen Allard to TBT. Ellen was originally scheduled to be with us just as the pandemic hit, back in 2020, and we are delighted that she will now be joining us as our Artist-in-Residence this next February during *Shabbat Shira*, the Sabbath of Song.

Truth be told, our musical ensembles have been mostly dormant for the past couple of years due to Covid restrictions. Now we are very hopeful that we can begin to bring back some, if not all, our musical programming this next year. I know that this fall our children will be biting at the bit to sing together again at Family services in our awesome B'nai Shir Youth Choir. Our Adult Choir is looking forward to helping us with the magnificent music of the High Holy Days and beyond. Our rocking Shabbatones Band looks forward to returning to Family services. Our TBT Ensemble will join us for a Simchat Torah Festival service filled with *ruach* (spirit) and celebration. In addition, to welcoming Ellen Allard next winter, we also look forward, as always, to planning musical guest artists to enhance our High Holy Days, Simchat Torah, and Shabbat services.

Of course, we cannot dream big without you! **All our musical programming at TBT is supported by the Music Fund in memory of Cantor Walter Lewis.** Our Music Fund is exclusively funded from donations of all sizes. If you would like to help support our ensembles and grow and sustain our musical programming, **please consider making a donation to the [Music Fund](#).** We really look forward to shaking off the past two years of pandemic restrictions and bringing back our volunteer ensembles and guest artists, beginning to once again enjoy the beautiful tapestry of music at TBT!

**May 14**

**Rachel Hellman**

**Zane & Ilene**

My name is Rachel Hellman, and I am a seventh grader at Berner Middle School in Massapequa. I enjoy cheerleading for the Massapequa Mustangs, playing basketball with my brother and shopping and hanging out with my friends. I love helping animals and hope to be a veterinarian one day. Thank you to Rabbi Bar-Nahum, Cantor Timman and Morah Emily Altman for helping me prepare for this special day. I also wish to thank Mrs. Derwin and all my religious school teachers through the years.

**May 14**

**Elias Katz**

**Evan & Jessica**

My name is Elias Katz, and I'm a seventh grader at Grand Avenue Middle School. I enjoy coding, video games, and playing trombone in the school band. I earned my second-degree black belt in Taekwondo. For one of my Bar Mitzvah projects, I have been collecting donations for the cats at Last Hope Animal Shelter. I chose this shelter since three of my four cats were adopted from there. Thank you to Morah Emily, Cantor Timman, and Rabbi Bar-Nahum for helping me prepare for my special day.

## PRESIDENT'S MESSAGE

Dear Friends,

I have been sitting in front of my computer trying to figure out how to begin this article and how to convey my message to you. What is my message – well, it's about a budget that we will be voting on at our Congregational Meeting on Tuesday, May 31<sup>st</sup>. So, I communicate to you some of what I have learned and hope I can help you understand what this temple needs.

First and foremost we must all appreciate the fact that our annual dues have not been raised in four years. When the merger occurred dues were not only reduced, but then frozen for three years. Taking into consideration the hardships that so many were experiencing during the pandemic, we decided to freeze dues for one more year. As our Membership Committee so eloquently put it – this was a “thank you” for sticking with us through the pandemic.

Here's the question though – has the cost of living gone up in four years? We all know the answer to that. Well, Temple B'nai Torah is our home away from home. Our costs have gone up, and we need to realize what it takes to maintain our home and preserve the high standards of teaching, learning and worshipping that we pride ourselves in. We have been told many times that our expenses are in line with where they should be for a congregation our size. The problem is with our income. We lost a tremendous amount of income when we had to close Bingo. We are hoping for a comeback but it is slow.

Our dues cover only a portion of our expenses, it takes more than dues to run our temple. Did you know that the average tuition for each Religious School student is \$620 and yet the cost of educating each student is \$1320? Our temple budget is subsidizing the rest. Will you understand if the budget reflects a raise in fees? Will you heed the call during the coming year when we share the different ways that we can all give back such as purchasing leaves on our beautiful Tree of Life, making contributions to our General Fund, purchasing Memorial Plaques, and adding Bricks to our front walk? Giving beyond dues.

The Board of Trustees along with their committees are going to do whatever they can to do more with less and to creatively bring revenue into Temple and try to take a bit of the pressure off of you. Let's rent out our Social Hall for events. It's a great room and Sisterhood can cater, which helps them continue to support Temple financially. Let's all think outside the box for ways to innovatively bring income into temple.

We have already made the commitment to TBT by being current members. We're in it for the long haul. We love each other, we love seeing each other, we love working side by side, our children thrive here, and yes, we love kvetching to each other. We need to come to the realization that our dues are going to be raised. This is necessary to sustain us. There will be input from our Membership Committee as well as Finance. Our Long Term Planning Committee is also looking at our future. The Board of Trustees will discuss, debate and swap opinions. This will ultimately lead to a budget that we will present to you for your approval. Months of research, looking at dues of surrounding temples, as well as salaries and Religious School costs, have been carefully studied. I cannot say enough about our Finance Committee who have left no stone unturned.

Let's once again, come together as a family and say YES to our future.

Thank you!  
Dee Greenberg, President

### WE NEED YOUR HELP

If there has been a death in your family of which Rabbi Bar-Nahum and Cantor Timman should be aware, or if there is the need for a hospital visit for a Temple member, do not assume that “they know” without you having informed the Office.

*Please call the Office at 516-221-2370 and provide us with the information so we can keep them informed.*

## BROTHERHOOD

Fellow Congregants,

Let me start by saying spring is officially here, and we can all start off by taking a nice walk around the block, school track, park or beach and breathe in that fresh air. Baseball is back on track. Let's go Mets and Yankees. The Brotherhood softball is back in action; good luck men. If you are interested, please contact me to join the team and also become a member of the Brotherhood.

Hopefully everybody had a nice Passover. Thank you Rabbi Bar-Nahum for doing a wonderful job leading the Brotherhood Seder. We look forward to next year.

How does it feel to go into Temple not wearing a mask? It is great, and you can actually see the faces of people you are talking to. Let's all keep praying that Covid does not come back and stays dormant for a very long time.

Also, the Brotherhood breakfasts are terrific. Come down and have a nice breakfast and speak to your fellow congregants

Sincerely,

Eric Altman

Brotherhood/Men's Club President

## PTA UPDATES

Hello from the PTA!  
By Rachel Minkowsky

Happy spring! We hope you all had a lovely Passover!

Our in-person Family Bingo event was a huge hit! Attendees had a lot of fun. Check out the pictures below!  
Thank you to Wendy Shatz and committee for your dedication and hard work!

Mitzvah Day is almost here. On May 22, all congregants will have opportunities to participate in multiple mitzvot. Books will be collected for Book Fairies. Families will also have an opportunity to paint "remembrance rocks" for TBT's memorial garden.

### FAMILY BINGO

## YOUTH GROUP

These past few months have been a blur! We did so much in March. The Youth Group, with the help of the Youth Committee, Brotherhood and Sisterhood, ran a tremendously successful Purim carnival. About 150 kids played games, had their faces painted and ran through the obstacle course. The little kids, and the big ones had an amazing time! Also, a group of 20 kids (along with a couple of adults) played Q-Zar in Carle Place. Hours of laser tag and video games. So much fun. BNTY even had their Youth Group Shabbat, led by Eliza Levitt. We ended the month by making ice cream from scratch, led by Hannah Herman.

You would think it would be quieter in April, but no! We had over thirty members attend a chocolate seder. Everything on the traditional seder plate is replaced with chocolate, except the charoset which is replaced by marshmallows. We ended that meeting with a raucous sing down.

There is so much more to come before the year ends in June. If these activities sound like fun, and you are in 5<sup>th</sup>-12<sup>th</sup> grade you should come to Youth Group meetings. Monthly events are always posted on the bulletin board on the school wing and posted on the TBT Youth Activities Facebook group. You could also send me a note at [MDerwin@TBTWantagh.org](mailto:MDerwin@TBTWantagh.org).

Sincerely,

Mark Derwin

On March 26<sup>th</sup>, we had a wonderful fundraising event – **The Mentalist**. This was our first in-person event since COVID, and it was great for all to be able to be together. Everyone in attendance had a great time and were amazed by his performance.

Thank you to our Sub-Committee, Jayne Krompfer, Joyce Star, Joyce Rappaport, Ronni Fauci, Jan Friedman, Caryn Suckle, Nadine Salzman, Beverly Diamond and Lisa Shubin who worked so hard to make this event so successful.

Thank you as well to Pat's Farms, who was so generous and donated all of the fruit and vegetables, and also to those who baked the delicious desserts for the event.

Representatives from the League of Women Voters will once again be with us on Mitzvah Day to assist with new voter registration and to answer any questions you may have about voting; the re-districting process, absentee ballots, etc.

The **RAC-NY**, the arm of the Religious Action Center that focuses on issues of importance to New York State and Reform Jewish values, has launched its Climate Covenant Campaign, a multi-year effort to address climate change issues and advocate for NY legislation that can help reach responsible climate goals.

Those who are interested in learning more about the campaign and participating in it will have many opportunities over the next few years, beginning with an opportunity to voice your concerns directly to elected officials through simple emailing during Mitzvah Day. Stay tuned for further information.

Speaking of environmental concerns, we are so happy that TBT will be providing us all with the opportunity to save hundreds of single use plastic water bottles from being put into landfills through the use of a new water-bottle filling station. Refillable TBT water bottles can be purchased to further help you reduce your plastic consumption and protect our environment.

Over the past week we had our first Fast and Furious Flash Used Shoe Collection. Keeping families close™

Each year on Mitzvah Day, we prepare a meal for families staying at Ronald McDonald House in New Hyde Park, while their children undergo medical treatments at nearby hospitals. Due to Covid-19 restrictions, our team is not able to prepare a meal in person this year. However, we do have a way to perform a "Double Mitzvah". As we did last year, we'll be providing a meal on Mitzvah Day, which we'll purchase from a local restaurant. Help us to support a local business and bring a healthy, comforting meal to families, so they can focus all of their attention on their children's medical care.

If you would like to support this "Double Mitzvah" by helping to offset the cost of these meals, please consider sending a donation to Temple, marked "SA/SJ RMD House Dinner" on the memo line of your check. Checks can be dropped off at the TBT office anytime through Mitzvah Day, May 22. Any amount is welcome and greatly appreciated. For information, contact Lisa Shubin at [LFSESL@aol.com](mailto:LFSESL@aol.com)

### Brotherhood EYEGLOSS COLLECTION

Recycle your old, usable eyeglasses, reading glasses and sunglasses and help provide others with the gift of improved sight!

Refractive errors can be easily corrected with eyeglasses, yet millions living in low- and middle-income countries lack access to basic eye care services. The Lions Club has recognized the urgent need for corrective lenses and collect usable glasses in their communities to support the Lions Recycle for Sight Program.

Look for the collection box in the Temple lobby.

### ***An Easy Mitzvah! You Can Donate Food from Caterers to Feed People on Long Island Who are Hungry!***

Some follow-up information from Syd Mandelbaum's  
Rock and Wrap it Up Presentation

Are you planning a catered event? Did you know that all edible, left-over food, prepared but not served, can be donated to local food pantries, so it can be used to feed people on Long Island who are struggling with food insecurity and hunger?

Once included in your catering contract, **Rock and Wrap it Up** can supply locations for the food to be delivered by the contractor. Food safety is the primary concern, so caterers must comply with strict safety compliance rules. So, instead of all that delicious, costly food going into the landfill, it will be used to feed our Long Island neighbors in need.

Do you have more questions? Here is a link to information about the Good Samaritan Act that protects individual donors and non-profits who donate food. [Good Samaritan Act Provides Liability Protection For Food Donations.](#)

For more information on how to set this up for your next catered event, contact Rock and Wrap It Up at 1-877-691-FOOD

### SQUARE DANCE, 2022 THANK YOU

Thanks to all those who attended the April 23<sup>rd</sup> Square Dance.

After a two-year pandemic hiatus, 70 congregants and friends were back in the Temple - Yee Haw! As Temple President, Dee Greenberg said, "We once again gave people the opportunity to be out and have fun."

A warm thank you to the entire Fundraising Committee; including VP Lisa Shubin and Co-Chairs Ronni Fauci and Joyce Rappaport. Special thanks to our caller Mario Fiore and to the entire Square Dance Sub Committee, Joan and Brian Levy, Ben and Sharon Cernese and Joni Christie.
