

## Chai Club Program

# Foods of New York

**Monday, September 30, 2024 at 7:00 p.m.**

New York is synonymous with food! Have you ever wondered about how potato chips were created; how Nathan's hot dogs became an American staple; why pizza is red, white and green; how immigrants preserved their foods without refrigeration; and the origins of many of flavorful foods we eat today that were brought from all over the world? This presentation will answer these questions and many others. Whether or not you are a "foodie," you will enjoy this look back at New York's food history. This **in-house** program will be led by Art & Sue Zuckerman, who have appeared on the History and Travel channels.

We will also celebrate September birthdays.

Drinks, snacks, and desserts will be served.

**RSVP by September 25** to Jay Schoenberg at (516) 476-0989 or Email to [jaydiane@yahoo.com](mailto:jaydiane@yahoo.com)
